. UPDATE: NEW GATE ENTRY SYSTEM

Please do not try your old gate codes on the new key pads they do not work. Please have patience with the staff, we are working as fast as possible to get the vendor to rework the database so all cards work all the time. Please hold onto your card/s because once the system is fixed you will want to have the easy access that the cards provide. Believe me when I say we are as frustrated with the delay as you are. We hope to see it all resolved soon.

DOG WALK ISSUES— Many complaints have been leveled at folks walking their dogs and allowing them to poop and pee on folks driveways, grass and along the sides of different folks properties without cleaning up after them. Please remember its your pet not theirs and they prefer not to smell or step in your pets waste.

GRASS CUTTING SCHEDULE—PER DANIEL
Next schedule will be as needed and will be posted here.

JOGGERS AND BICYCLERS—Be aware that joggers and bicycles are not allowed to run or ride through the golf course area. Those inner golf course trails are for golfers only and with folks playing all times of the day it can become dangerous to joggers and cyclists when in close proximity to those driving golf balls. Please respect their right to tee off without interruptions...

ZUMBA GOLD— Saturdays at 9:20 AM WSRH except when there are conflicts at which time they might be shifted to a different building. Remember that the Jamboree is bring hosted at WSRH on the 21st.

STARWBERRY SOCIAL—A great big **Thank You** to all the volunteers who helped with the Strawberry Social. We heard many positive comments, and so we might do it again next year. With a bit more experience every year, things will be better next time.

This pleasant social event would not have been possible if we didn't have willing helping hands of volunteers. A special **Thanks** to those volunteers, and thanks for all who came out to the event. Henny #246
